Hi Alejandro,

A lady name [REDACTED] called our office for concerns in Sylmar. She did not provide me her address other than she leaves on Herron St between badger st and Simshaw ave. She is concerned about the new homeless encampment on the hubbard exit of the 210 freeway. Also of a tree in front of her neighbor's home. She reported it to 311; however, they do not have an estimated time line for her of when it will be cleared. She was also concerned for brush clearance of other neighbor's homes too since of high fire danger in her neighborhood.

If you could please give her a call back that would be greatly appreciated. Thank you!
